

To whom it may have concern,

I am very pleased to write this letter of recommendation for John Cabibbo and the team at Cabibbo, Inc. When we launched our company, E-proDirect, in 2001 we had worked with several web designers and hosting companies. As our company grew we found John to be by far the best option to assist our company in taking our technology to the next level.

John was an integral part in assisting us in developing and launching MeetingMart.com. In the beginning stages of this project his broad expertise and knowledge proved to be a tremendous asset when planning and creating the look and functionality of this site. John and his team have also been an incredible resource to us in the upgrades and developments that are continuously being made to the site.

We have found John's team to be easily accessible and most importantly reacts to challenges or special projects quickly and efficiently.

John Cabibbo has my professional endorsement and my deep personal respect. Please feel free to contact me with any additional information you should require at tracy.fairman@eprodirect or (561) 417-5513.

Sincerely,

Tracy L Fairman
